THE FORGE, 1952

BURNHAM, PA.

DEDICATION

We, the class of nineteen hundred and fifty two respectfully dedicate our FORGE to Mr. Martin Koons.

For three years Mr. Koons has been the physical education instructor and a social studies instructor at Burnham High School. We are very proud of the football and basketball records since he has been coach of the two sports. He graduated from West Chester State Teachers College where his education was interrupted by three and a half years service in the United States Army.

For his sincere interest in our class activities and his constant guidance in helping us achieve the best, we wish to express to Mr. Koons, our class advisor, our gratifying thanks and deepest admiration. When we were likely to be irresponsible, he restrained us, when we were disappointed, he encouraged us. Because of his wholehearted interest and genuine friendship our days have been happy and fruitful at Burnham High School.

BOARD OF EDUCATION

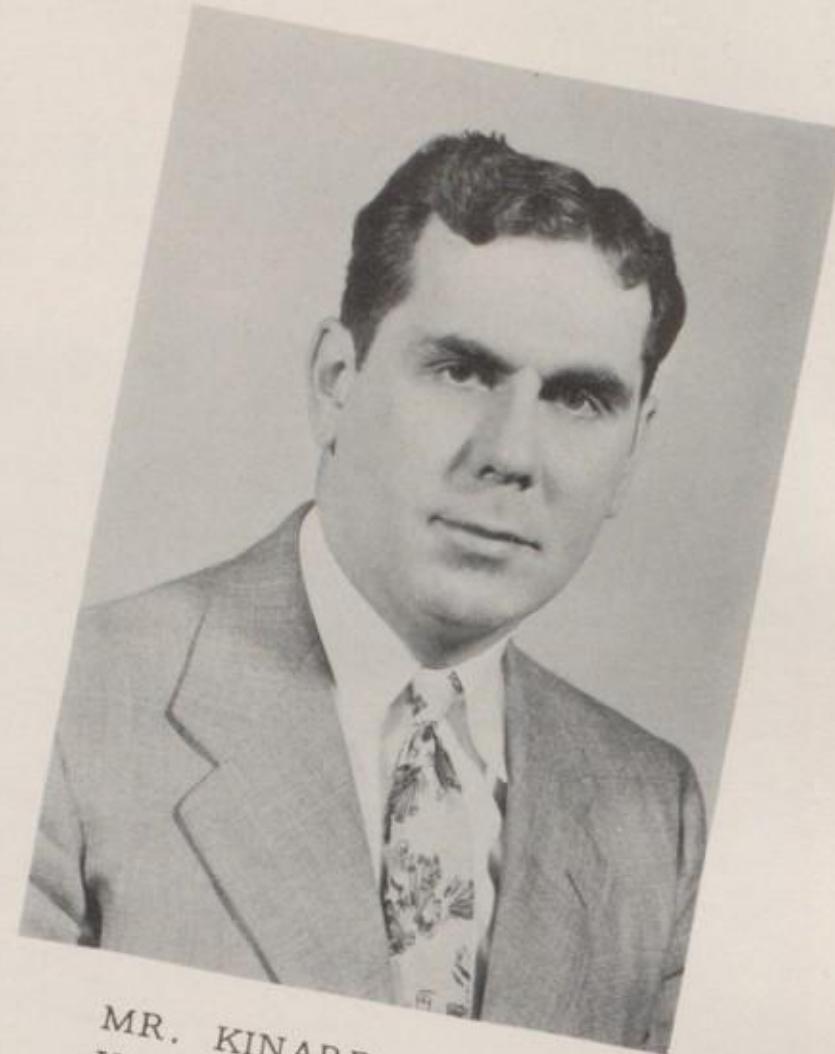

Our Board of Education is composed of locally elected officials who establish and guide the policies of the school. In the past they have been faithful and competent in their services. Now we have formed a joint board composed of Derry and Burnham. In the future they will travel along unknown paths seeking educational improvements and solutions to intricate problems which inevitably arrive from formations of joint districts. They will have many arduous moments because they will have an entirely different schedule to develop. Our sincere admiration goes to our Burnham School Board and the new Burnham-Derry Joint Board.

CLASS HISTORY

In the fall of 1948 we, the class of "1952", entered Burnham High School and found ourselves full-fledged freshmen. We immediately set about the chores that are usually done by over-thrilled freshmen. First we elected Donald Snyder as our class president, then decided to have royal blue and gray as our class colors. These we proudly carried through the remaining years of high school. The first social event was Class Night at which we outcheered the sophomores with the help of the juniors. Many of our boys entered football and found that it was not an easy sport to play, but stayed with it.

Then we became sophomores. This was the year we became more active. We elected new class officers: President, Dean Steele; Vice President, Stephen Ulsh; Secretary and Treasurer, Donna Collins; Historian, Joseph Guerrini; Class Advisor, Mr. Koons.

We held our first dance this year, the St. Patricks Day Dance, which turned out to be a success.

Then our junior year rolled around, and we saw many happy faces returning. In October we received our class rings which set a gleam in everyone's eyes. Later we received our class hats and pennants.

We had many events this year, dances, selling Easter Candy, and many more activities. But we had most of our fun when we held our class play, "Peck's Bad Boy." This was one of the most enthusiastically received play that has ever been put on in Burnham High School. The characters suited their parts well and did a wonderful job of acting. The characters were as follows: Henry Peck, Sr., James Hampton; Henry Peck, Jr., Dean Steele; Mrs. Hannah Peck, Grace Mancino; Melville Beaumont, Richard Lewis; Minnie, Mary Grace Mayes; Luella, Sylvia Parker; Clifford Jennings, Hugh McKee; Jimmy Duffy, Niel Harbst; Lizzie, Donna Benner; Dahlia, Esther Henry; Schultz, Ray Farrell; Dora, Donna Rose Collins; Lora, June Smith; Flora, Doris Bishop.

We elected new class officers that year too, President, Stephen Ulsh; Vice President, Edward Royer; Secretary, Donna Benner; Treasurer, June Smith; Historian, Richard Lewis.

Last but not least, was our Junior Prom which was a Dinner-Dance at Green Gables Hotel. A full course dinner was served for this occasion. Stephen Ulsh served as toastmaster. Speeches were given by Edward Royer and Kenneth Furner representing their respective classes, also by the class advisors, Mr. Koons and Mr. Haney, and a well-presented speech by Mr. Woomer. Mr. Swank gave his speech of appreciation.

Dancing came after the dinner to the music of the well-known "Musical Notes".

Then came our last year in school. This year we had many activities such as our concession stand at all our home football games, selling writing paper, Christmas candy, and numerous other things.

Then came our senior class play. This play was wonderful as everyone that saw it will agree. Its title was "Stranger in the Night". The characters were as follows: Sylvia Lee, Donna Rose Collins; Mable Crane, Mary Grace Mayes; Grant Terry, Richard Lewis; J. T. Rutledge, Donald Snyder; Velda Stevens, Betty Hudson; Clifford Newkirk, Steve Ulsh; Nona Pollard, Roxie Shirk; Eddie Beach, Dean Steele; Rose Jordan, Doris Bishop; Sam Fisk, Tony Battista; Marcella Bender, Doris Allenbaugh; Sandra King, June Smith. With this and a few more activities, the senior class of 1952 wish to extend our thanks to all the teachers of the grade school and the junior-senior high school who have made possible our success in the past twelve years and who have tirelessly strived to prepare us for our commencement in life.

FOOTBALL

The Burnham High School Bulldogs opened the 1951 season by decisively whipping the always potent Williamstown High School Rams 20-7 in the first football encounter played on the new Burnham Athletic Field. This was Williamstown's sole defeat of the year as they went on to capture top laurels on the Twin Valley Football Conference. The celebration of this important victory was greatly subdued by the loss of veteran Hugh McKee, who suffered a fractured leg early in the contest. The injury to McKee, an outstanding lineman for three years, was a severe blow to Burnham football fortunes.

After having tasted defeat in two bitterly fought 6-0 contests in 1949 and 1950 a snarling Bulldog eleven gained sweet vengeance as it savagely shellacked Juniata Joint High School 40-13 under the lights at Mifflintown. The determined Burnham team completely demoralized the Indian with some of the hardest running and blocking of the year. Ed Royer ran 75 yards down the sidelines for the final touchdown.

FOOTBALL

CONTI-

Millersburgh, with the biggest high school squad to appear on a local gridiron, combined weight, roughness and alert seizing of breaks to wear down and narrowly eke out a 12-6 win over a fighting Blue and White team. A fumbled punt and an unnoticed off-side proved fatal when a last minute Bulldog drive fell short on the Millersburg 10. John Roberts side-stepped 30 yards around end for the lone score in Burnham's drop from the undefeated ranks.

The Bulldogs traveled to New Bloomfield to meet and down the strong Perry Joint Club, 21-6. The return to victory featured unique scoring by two Burnham lineman, Con McCartle, defensive center who intercepted a pass and ran 35 yards to cross the goal-line and Joe Guerrini who broke through his right guard position to envelope a blocked Perry punt and stride over for the third touchdown.

On Newport soil the third Twin Valley Conference title slipped through Burnham's football fingers by one point as the season's second loss was listed against the Bulldogs by a 7-6 score.

With its usually sharp attack absent a listless Bulldog eleven errored too often in critical moments following Detlef Reeses 19 yard touchdown dash in the first period. When the final whistle sounded, stunned Steeltown adherents reluctantly recognized they had witnessed Burnham's most critical loss of the season.

A resurgent Bulldog team in its fourth consecutive invasion of enemy territory thoroughly outclassed Orbisonia High 47-7 to gain the sixth triumph in seven contests with that rival. Jack Beaver passed two to Dick Lewis and one to Jim Pully for touchdowns. Pully placekicked 5 of 7 attempted conversions; the entire squad saw action.

On a water-logged field at Burnham the home team completely routed a visiting Saltillo eleven by the same margin as the previous week's 47-7. A small rain-soaked crowd watched veteran half-back Pete Snyder account for one of the touchdowns on a 41 yard run off tackle and promising sophomore back, Jack Erb, registered the first score of his career.

Playing in a farewell role Coach Martin Koon's Blue and White refused to accept defeat as they met a powerful Juniata Valley High team at Burnham. Facing a seven point deficit after Juniata Valley had rapidly thrust across a first period score and conversion, and inspired Bulldog eleven rose to its height in coming back to score twice to end Burnham football history with a 14-7 victory.

In their final appearance for their Alma Mater were Co-Captains Guerrini and Reese, Lewis, Harbst, Royer, Snyder, and Yingling.

FOOTBALL REVIEW

In September of 1930 the doors of the high school on Freedom Avenue had swung open to welcome students to a new term and classes were in session when the entire town became football conscious. Rumor was soon verified as fact and the birth of Burnham High School's first football team was announced.

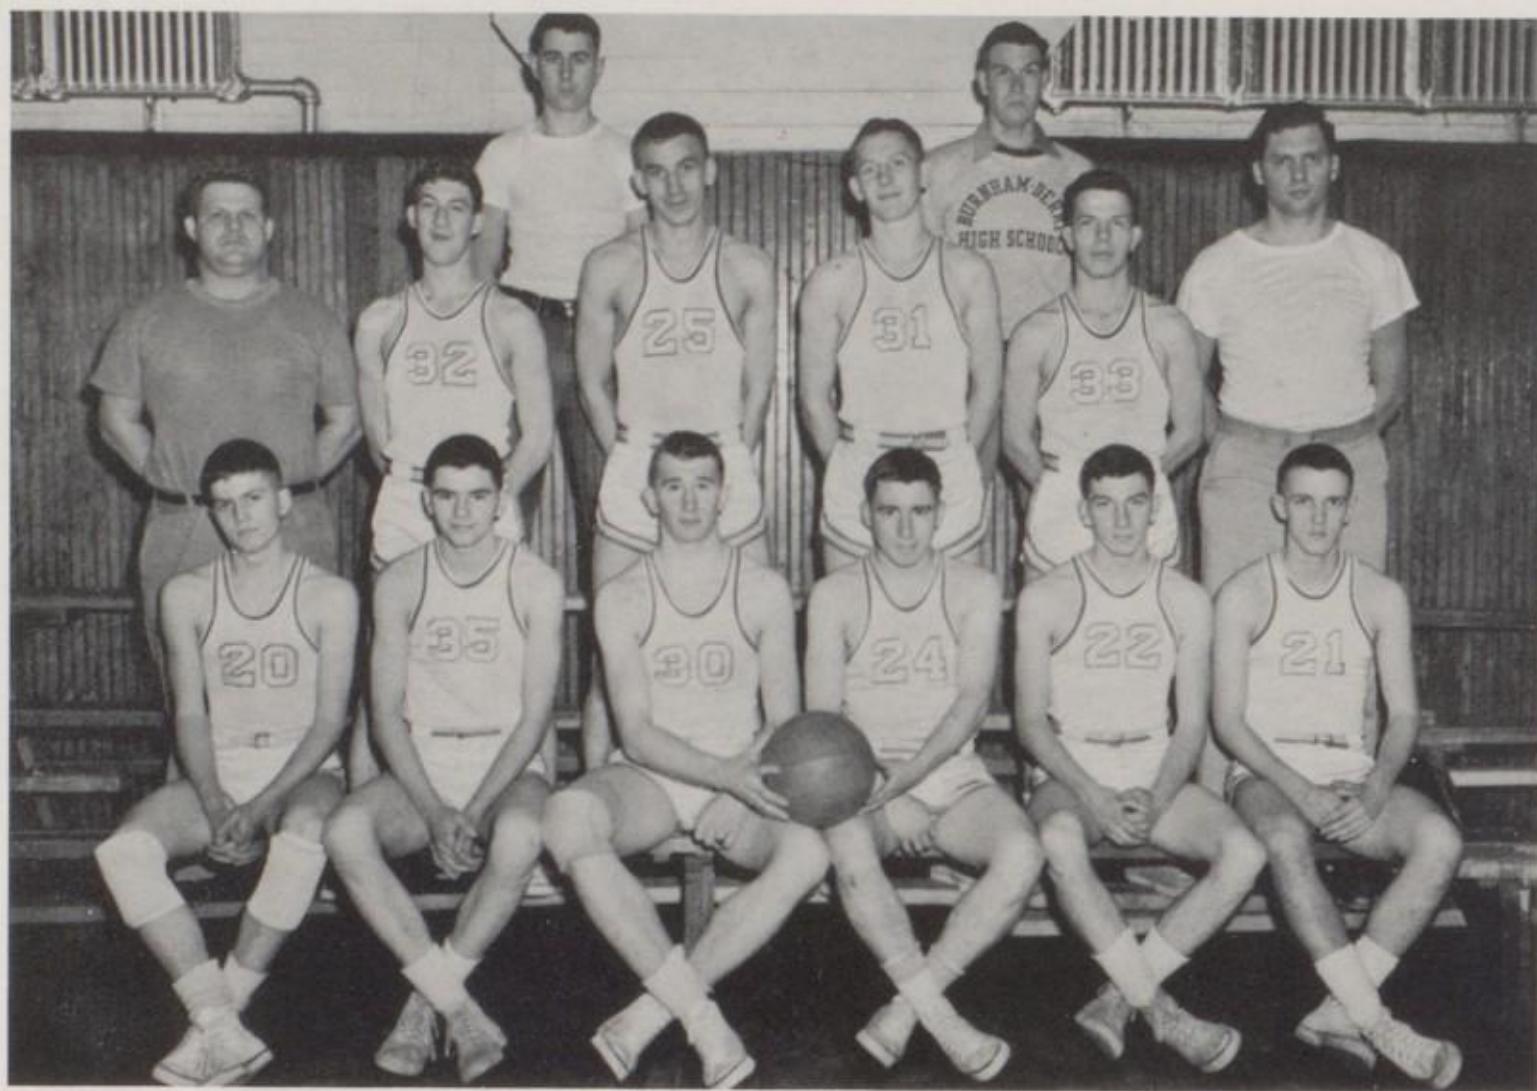

Despite the wave of enthusiasm which inaugurated football at Burnham the initial year was replete with the assortment of doubts, pessimisms, and deprecations so characteristic of all pioneering. On many fall Saturday mornings protective mothers refused permission for their boys to participate in the expected carnage of the afternoon. Uniforms for the first gridiron contest on October 4 with Port Royal High School were hurriedly purchased and the home site for the original Bulldogs was located on a rapidly cleared plot of ground on the extremity of Eighth Avenue. Through this formidable maze of deterrents faith in the destiny of the new sport was maintained by the board of school directors, loyal townspeople, Supervising Principal O. H. Aurand, and the first coach, J. R. McNabb, present local physician and member of the school board. Coach McNabb's lot was particularly trying and unenviable with only twelve pairs of shoulder pads available to equip the squad; consequently the first scrimmages were conducted without pads. This was indeed a sharp contrast with the 1951 eleven which was one of the best equipped small high school teams in the state.

Through twenty-one years of football the Bulldogs won 73 games, lost 70, and tied 15. Six head coaches directed the strategies of this gridiron era--J. R. McNabb (1930), Max Cohn (1931-1936), Carl Boyer (1937-1944), the Rev. Lloyd Haag (1945), Louis Illoff (1946-1948) and Martin Koons (1949-1951).

Three undefeated seasons are recorded in the football archives. Six opponents fell before the crushing power of Max Cohn's big 1932 edition of the Bulldogs. Among these opponents were Lewistown and Yeagertown High Schools who were conquered by the identical scores of 6-0. During the skein of twenty-five games without defeat, under Louis Illoff, extending from November, 1945 to October 1948, Burnham emerged with two full seasons without losses. This perhaps most collection of footballers in the history of the school amassed a total of 744 points, while holding their opponents to a mere 121 points, in the course of their victory march. There were the times of Burnham High School's greatest gridiron glory. Throughout Central Pennsylvania the Bulldog became the symbol of football supremacy in its class.

From review of the bright pages of Steeltown football lore, sports-minded persons may take pride from the past and prophesy for the future a mighty contribution from this side of the Kishacoquillas to an A class Burnham-Derry squad which shall seek its spot on the horizon among the schoolboy football giants of the coming years.

BASKETBALL 1951 - 1952

Burnham High School and Derry Township High School, playing jointly as Burnham-Derry had a winning season in the first consolidated sport in the schools' history.

The call for candidates was sent out in mid-November with a large number of boys reporting to coaches Martin Koons and Albert Brown.

Burnham-Derry traveled to Northumberland on December 11, 1951 and inaugurated the season by winning over their hosts by a score of 65 to 52.

In the next game the tide turned in favor of a visiting Huntingdon High School team who edged the forces of Burnham-Derry by a score of 55 to 52. The varsity held a large lead going into the final period but a succession of missed foul shots proved fatal as Huntingdon went ahead of Burnham-Derry, then bounced back into the win column by beating Armagh-Brown High School by a score of 64 to 34.

Then came the traditional game with Lewistown on the latter's floor. Lewistown built up an early lead and held it though Burnham-Derry gave them a terrific battle. Lewistown left the floor with a hard earned 53 to 45 victory.

The next game was with Belleville on January 18, 1952 at the Belleville Community center. Here Burnham-Derry began a winning streak which was to enable them to outscore their opponents in ten straight contests and to qualify them for the District 6, play-offs. Included in this streak were two important wins over Lewistown and Huntingdon.

Burnham-Derry wrote an auspicious opening chapter into its record books when they led throughout the game to defeat Lewistown 59 to 51, on the winner's home floor. According to veteran sports fans this triumph was the first achieved by either a Burnham or Derry court squad over this neighboring rival within a quarter of a century.

The senior lettermen were as follows: Edward Royer, Stephen Ulsh, Robert Stroup, and Darrell Stone. The Senior class wishes to express its thanks to coaches Martin Koons, Albert Brown, and to the members of the team for a job well done.

SOCER

The initial step toward the goal of a fully-rounded Burnham-Derry sports program was taken this fall as the first combined athletic squad joined forces on the soccer field. Under the sage tutelage of Coach Norman Kline the boys from both sides of the Kishacoquillas changed the theoretical to the practical as they resolved any question of cooperation and teamwork. The first soccer team in our school history lost every game on its schedule but won a greater and more permanent victory that shall be recorded in the scorebook of living and learning.

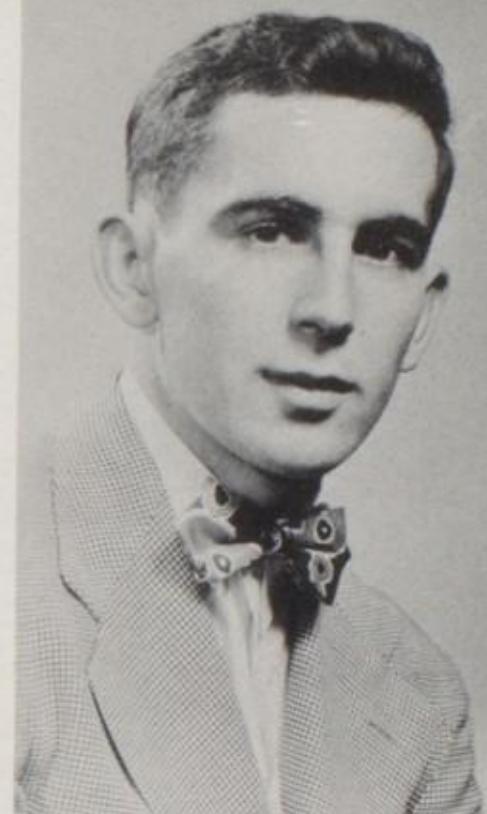

Before the conclusion of the season the green booters were beginning to exhibit that form assumed by veteran players. All indications point to soccer in future years.
